Surgery Cancellation Policy

Due to the complex nature of booking this procedure we have found it necessary to implement an administration fee for those who cancel their surgery with less than a two-week notice. (This is only for non-medically documented cancellations, if you have a doctor's note, we will waive this fee.) Upon a late cancellation, we will charge a \$250.00 fee to your account. Surgery will not be rescheduled until fee is paid.

I have read and agree to the late cancellation fee charged to my account.
